

THE
SOCIETY FOR ANALYTICAL CHEMISTS OF PITTSBURGH
 IS PLEASED TO ANNOUNCE THE
2006-2007 HIGH SCHOOL SCIENCE ESSAY CONTEST

**TOPIC: I BELIEVE ANTIBIOTICS HAVE (HAVE NOT) PLAYED AN IMPORTANT
 ROLE IN IMPROVING THE QUALITY OF LIFE IN OUR SOCIETY.**

ENTRY GUIDELINES

The SACP High School Essay Contest is open to all students in grades **10 through 12** in counties listed below. Supply all information requested on the front of this form.

The maximum number of words in the essay is limited to **325**. The essay is to be in prose (no poetry, please), and be the independent work of the student. Any essay containing plagiarized material will result in rejection of the essay. Photocopies of this form may be used. Enter the number of words, exclusive of the title, in the lower left hand corner on the back of the form. The essay must be typed on the back side of this form. Or, you can tape or staple it to the back of the form. The essay page should in no way reveal the name of the writer or his/her school.

Student essays **must** be signed and submitted by a faculty member of the student's school.

No individual school may submit more than two essays in the high school contest.

Failure to comply with these instructions may result in a scoring penalty or rejection of the essay.
