

## **2011 Pittsburgh Conference Achievement Award**

### **Call for Nominations**

The Society for Analytical Chemists of Pittsburgh solicits nominations for the 2011 Pittsburgh Conference Achievement Award. The Award is presented annually at Pittcon to recognize individuals for outstanding achievements in the fields of analytical chemistry and/or applied spectroscopy. The Award Recipient will be invited to the Pittsburgh Conference and will be included as a speaker in the Pittsburgh Analytical Chemistry Award Symposium. The Award Recipient will be invited to the SACP/SSP Awards Reception and Dinner during the Conference and their photo and bio-sketch will be included in the Conference Program. The Award Recipient will be presented with a scroll and a cash award in an amount to be decided upon by the SACP chair. To be eligible for the 2011 award, nominees must have completed their Ph.D. no earlier than March 1, 2000. A letter of nomination, curriculum vitae and at least one seconding letter should be sent to:

The Society for Analytical Chemists of Pittsburgh  
Attn: Achievement Award Committee  
300 Penn Center Blvd., Suite 332  
Pittsburgh, PA 15235-5503

Phone: 412-825-3220 ext 204
